### Who are we?

8 curious, creative, motivated students working together and in pairs to undertake SCEPTRE enquiries

Provide a practical means of communication between students and faculties

Enable connections that enhance learning, teaching and the student experience

### Recent work: Professional Training enquiry for PTSCC and SCEPTRE

Phase 1: (returning students) If you knew then what you know now, what (if anything) would you have done to prepare for placement?

Phase 2: (Students about to go on placement) How could the experience of transitioning from a student on placement to a student in the final year be enhanced?
